Club Voluptuous is a new kind of club coming to Denver. We hold exclusive events for BBW and the men who admire them. Everything we do focuses on promoting the BBW of Denver.

Our next event is August 8th. For our next event we are looking for bartenders, bar maids, servers, and hostesses.

Ideally we looking for female bartenders size 14 and up to fit with the atmosphere of our event. We are looking far and wide for this special lady to join our team.

We also need a reliable, fast, flirtatious male bartenders to join us as well.
