I have a generation 1 Camaro that will need a complete inside floor panel installed , I may have more work like this , should i find someone that knows what they are doing and thats a professional

I really only want someone that has done this before, sorry I don't want you learning on my car
I would like your labor quote , as I have a idea what this pan costs, I am not rich, and I understand this kind of works takes skill that you must pay for, if you have a shop and knowledge and experience, please get in touch with me, I will ask to see some of your work, i am up in north Denver near 120th and Washington

please send your quote or hourly rate, and the # of hours this project will take you, if your experienced you will know how long this will take you , thank you very
