

Hooked on Phonics reading program books (30 USD)

Location **Alaska**
<https://www.genclassifieds.com/x-633627-z>

For sale is a Hooked on Phonics reading program. This is an older program so it has cassettes. Not sure how well you can see this in the picture but it has the reading books that go along with the program. I would like 30 or best offer on this. We have a smoke free home. I have other homeschooling items as.
