For sale is a brand new in the box Samantha's 3-wheeled bicycle. This has been retired for several years. It has never been out of the box. I got this picture from google (as I didn't think I could get it back into the box). This has been stored in my smoke free home. I don't remember what I paid for it but I'm sure it was over 150 and I had it shipped here. So 150 is a great price for the bike. Please call with any questions. I will not ship. Cash only please. It was sold as part of Samantha's collection but is the correct size for all of American Girl's 18 inch.
