I have 6 United lounge passes for one-time use. We were planning on taking a family trip with United but ended up using a different airline. Passes have different expiration dates and are priced accordingly:

2 passes expire 08/31/2015 = \$25 for both

2 passes expire 12/31/2015 = \$45 for both

2 passes expire 09/30/2016 = \$60 for both

United sells these club passes for \$50 per pass. For details see <http://www.united.com/web/en-US/content/travel/airport/lounge/default.aspx>.

From United's website: "Wherever you're going, United ClubSM is the best place to stop. Our members enjoy access to more than 45 United Club locations, as well as Copa Club locations and participating Star Alliance[®] affiliated airport clubs worldwide. United Club amenities include complimentary bar service, light snacks, free Wi-Fi, conference room access and more. We invite you to relax in a United Club during your next journey."
