

2012 Arctic Cat Wildcat Lots of upgrades (10000 USD)

Location **Arkansas**
<https://www.genclassifieds.com/x-633732-z>

Selling my 2012 wildcat 1000. Rig has been treated extremely well, oil changes completed at higher than regular intervals, and serviced professionally by Hubbard ATV of Russellville on a regular basis. ONLY reason I am selling is to get a 4 seat rig. Has right around 700 miles. Rig is in great condition with a ton of upgrades. I am asking 10k, but the price is negotiable. Upgrades are listed below.

Air Dam full wet clutch delete
Air Dam Spike Load Dampner ring delete
Pro Armor doors
High lifter rear radius clearance bars
Warn under hood winch mount
Kolpin hard shell roof
Kolpin front window
Bad ass unlimited front tie rods
27 inch Sedona rip saw tires with full size spare
Sound box overhead radio
Powder coated wheels
Upgraded marine grade battery
8 inch led front mounted light bar
Retuned Walker Evans shocks.
Flashed ECU for extra performance

I also have a cube LED light that I will throw in with the deal that has not been mounted or.
