Always paying highest prices for your older fishing lures and tackle! Long time collector pays more than ANY local reseller! Dont sell for pennies on the dollar to folks that cant even identify your stuff! If THEY dont know what it is, how can THEY tell you what its worth? Think about it! Some stuff is worth HUNDREDS! Make the logical choice, and at least try to identify what you have before you give away A small fortune! Its your stuff, why let THEM make more money on YOUR stuff then you get? Call, text or send pics anytime. Once you know what it is, set your own price, then see who steps up to buy it!
