Hello if your looking for inexpensive childcare look no further. I watch children from the age of 1 on up to 13. I have watched kids in the past. I used to watch a special needs child on weekends. I am not a daycare and I am not certified. I do take care of the children I watch. So of you need childcare just on weekends I'm available. If you need childcare at the last minute I'm available. If you need childcare for weeknight or even weekdays I'm also available. Just email me let me know what days you need me or if you have any questions. Have bless.
