

# Full timepart time opening for 2 (291 west of Liberty)

Location **Kansas**  
<https://www.genclassifieds.com/x-633796-z>

My goal is to provide a safe and happy environment for children where they can learn and grow at their individual pace. Children are given opportunities to learn through experiences with stories, songs/music, art, dramatic play, sensory materials, number and letter activities and the outdoors. I believe children learn through play and benefit from a structured, yet flexible schedule. Children will be taught to respect each other, adults, pets, and property. Every day I will offer your child the opportunity to engage in various activities to support their individual growth.

One full time or part time spot available for age 2 and up. My hours are 7:00am -5:30pm, however I am willing to work with you if an earlier drop off time is needed.  
 I serve breakfast, lunch, and snacks.

## Daily Activities Include:

- Story time
- Learning the days of the week and about the weather
- ABC's
- Colors
- Sorting
- Counting
- Shapes
- Developing fine motor skills through coloring and crafts

Outside play (weather permitting)  
 Holidays

I have a degree in biology and chemistry and was a chemist for 9 years before deciding to stay home with my girls (2 and 3) and watch kids. I have a degree in biology and chemistry and was a chemist for 9 years before deciding to stay home with my girls (2 and 3) and watch kids.
