Logitech N100 Notebook Cooling Pad

This USB-powered cooling pad fits laptops up to 15" in size. Rear-intake vents don't get blocked. I no longer the laptop that I used this with, so don't have a need for the cooler.

Retail price: \$30 on Amazon <http://www.amazon.com/dp/B003BEDQYY>

PICKUP only at location listed on this posting. Cash only please.
