

# ADS L810 Speaker Pair (500 USD)

Location **Massachusetts**  
<https://www.genclassifieds.com/x-633835-z>

For sale is a nice pair of ADS L810 speakers in original condition. These have been my main speakers in McIntosh setup for years and sound awesome. I have tried many more expensive sets and they don't match the sound reproduction of these ADS'. The cabinets have a little wear on the tops only that could be smoothed out. The sides and corners are not crushed or broken, Metal grilles (An ADS trademark) are in excellent condition.

Please see my other equipment on CL: JBL L100, McIntosh C28, McIntosh MC2100 Jolida 202A

NO Trades please. Cash and carry.
