My name is OLD MAN SAXON, I'm a local rapper in the echo park area. I have a residency at Harvelle's in Santa Monica every Tuesday. It's a really fun show and I need some drums and keys to complete the awesomeness. Pretty much just need people that are able to jam with each other. The first show will be free so there is no pay but if everything goes well the band will be getting an 80/20 split of the door. Which is pretty damn good. Below are some of my videos so you can get a better idea of how my music and live shows sound. Contact me anyway you want. I would like to get some replies soon so we can get together for a rehearsal soon.
