I have a Kenmore 70 Series Washer and Dryer for sale to anyone that needs it! I just moved to a town home that already has a washer/dryer unit installed, so I am no longer in need of these. I bought them for \$250 on craigslist, so I would like to offer them to you for \$150. The previous owner bought them new and had them for two years. I have had them for three years, so altogether they are 5 years old. For their age, this is a STEAL. The units have a few scuffs on them cosmetically, but they clean and dry like a charm. If you are interested or have any questions, please contact me via email, or text/call me at "eight-one-six-6-9-five two-six-9-7."

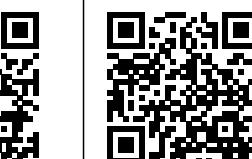

NOTE: I do not have the ability to transfer these myself, so the buyer must be able to pick up the washer.
