Im looking for a Painter or Helper that is looking for work. This person must be Drug Free and a responsible adult. This would be a 1099 position. We Paint Apartments and if there is none of those too do we go door to door looking for work.... MON- FRI 10-6 and some Saturdays and even occasionally a Sunday, Sundays are not often though.

you do not necessarily have to have painting experience, I would be willing to work with the right person. Pay to start would be 9-13 hr depending upon experience. you must be hardworking and willing to show up on time.

This is not a full or part time job, this is only a gig while I have work.

Please email me your skills and anything else you feel is relevant....

thank you

Do Not Bother if you are on drugs you will not be able to perform this work if you are addicted to any substance, Not Trying to be rude but if you are in active addiction this opportunity is not for you,

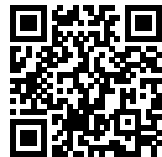

Also you must have transportation. I will consider however a pick-up and or drop off deal at a bus stop like Tank or.
