Free portfolio for new models (Clifton)

Location Kentucky https://www.genclassifieds.com/x-634083-z

Hello,

I am photographer looking at new projects. I have done modeling for several companies but now im trying to help models to get started. I can give you a free portfolio and show you how to get signed with a modeling agency. I can put you in contact with people for paid shoots too if that's an interest.

Please contact for details.
