

# Grass Cutter (Kenwood)

Location **Kentucky**  
<https://www.genclassifieds.com/x-634085-z>

Looking for someone to cut grass 3 days a week. Must know how to use Exmark Lazer and Exmark Turf Tracer. You will be cutting by yourself so you must know how to drive truck and trailer. Please do not tell you have you done landscaping before when really you just cut your own grass. This is commercial landscaping and it is fast paced. No smokers. I will pay every week in cash.
