Property Preservation Subcontractors Wanted (Cincinatti)

Location **Kentucky**
https://www.genclassifieds.com/x-634087-z

We are looking for hard working, diligent and punctual individuals to work in the foreclosure maintenance field. Having a property preservation, handyman, or landscaping background is a plus. We manage and maintain bank foreclosures in order to prepare them for the market. This is a subcontracting job that requires you having all your own equipment. The following is a list of the type of work we do:

1. Lock changes to secure properties
2. Winterizing residential plumbing systems
3. Window and door board ups
4. Lawn maintenance
5. Provide estimates to repair any damages or hazardous conditions
6. Trash and personal property removals
7. Take pictures of completing work and to support estimates
8. Emailing or uploading results (photos, report forms, invoices and bids)

Contact Robert by phone or email if you would like to discuss details about this position. If emailing please leave your name, number, work experience, and locations you are able to cover.
