Location **Connecticut**
<https://www.genclassifieds.com/x-634139-z>

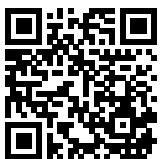

I am a rape victim but as some may know there are many ways of coping. Support. Resources and love. I'm looking to put together a group for all types of individuals male and female going through this circumstance. Connecticut and neighboring states. We can start as slow or fast as the pace requires through each individual needs. Rather you are healed or seeking healing. Please lets come together. No matter your race. Ethnicity. Religion. Finical class. Rather, your happy. Sad. Angry. Hopeful. Hopeless. Lets support one another together. You may send me a message about any questions you may have. Thank
