Me and my family have recently been kicked out of our home and we have 3 cats land 2 dogs that we would like someone to watch for us for about a month until we find a place. They are very loving and good cats that aren't even a year old. We would supply cat food, dog food, litter, and litter box. Please we don't want to lose them or have to give them away. Even if the dogs have to go one place and cats another. Please someone help.
