I am a first time expecting mother, and my vehicle is currently broke down. I am desperately seeking temporary, part-time, or full-time employment. I have been trying really hard to get a job with a legitimate business, but no one wants to hire me due to being pregnant. I am very good with children of all ages as well as multiple children at once, I absolutely adore animals and have experience caring for cats and dogs, I am great with customers considering my professional job background is in customer service, and I am very good with computers (i.e. Microsoft word, excel, powerpoint, general typing, 10-key, and quick learner to data entry). Please only contact me if you are looking to hire. Do not contact me if you are looking for a personal assistant or someone to give you a massage. You will be wasting your.
