For all those looking for puppies

Go to Petfinder.org. Type in your city and state and the age, breed you are looking for. I typed in Black Lab baby and hundreds came up. No need to risk your life on here and pay big money for an animal that has received little if any vet care, when you can save a life and adopt a dog from a shelter or rescue, and the animal will be fully vetted. The only thing left for you to do is relax and enjoy and train your new puppy.

When you adopt you save two lives. The one you adopt, and the one who will take the pets place at the.
