I have decided to rehome my pet snapper.  
 She measures 7in in length. I have had her since she was a baby.  
 I bought her from a well known breeder in PA. Her and her brothers and sisters  
 have a very unique and sought after look to them. She has orange skin with a purple hue to it. Beautiful  
 eyes....  
 Rehoming fee \$850 OBO.

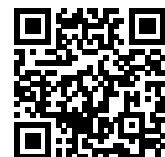

Turtle, tortoise, reptile
