My name is Chris. I'm 27 and I've been playing bass for about 13 years. I don't have a specific genre I want to play but my biggest influences are Nirvana, Interpol, and Mastodon. I'm looking for a drummer, a guitarist or 2, and a vocalist. I have a soundcloud page with a few songs I wrote (soundcloud.com/chriswaltons). If interested, email me with a recording of yourself playing..
