

I need my van towed from TN (Crossville, TN)

Location **Washington**
<https://www.genclassifieds.com/x-634270-z>

My van broke down in Crossville TN and I need it back in Gaithersburg, MD. If you can safely haul it (prefer wheels off the ground), make an offer for price. It is rear wheel drive so it has to be off the rear wheels when being.
