

# Need a licensed electrician

Location **Florida**  
<https://www.genclassifieds.com/x-634315-z>

We are a General Contractor applying for work with a national franchise and we need an electrician to qualify us.

Specifically, we need a licensed plumber with a clean background. We perform rehabs, service calls and other residential construction work that has to potential to offer full time employment in the future.

If you have your plumbing license and are willing to qualify us, please contact us ASAP.
