Location **Hawaii**  
<https://www.genclassifieds.com/x-634348-z>

We found this little black kitten outside the library at night and no mother cats around.,. We know most of the cats already so we don't know where the kitten came from. It can eat cat food but is young enough to need someone to care for it more than we can. Please call if you can adopt and/or foster this little one. Mahalo for your concern, Chason at 388
