About

Project Hawai'i, Inc., is a nonprofit organization run 100% by volunteers. We are solely supported by public donations. Our agency provides services throughout the year to homeless (unsheltered) children living in extreme poverty. We are conducting our AFTER summer outreach and helping to assure these children are able to stay clean and healthy as the school year.

Our goal is to be able to provide these children with monthly food boxes, hygiene bags and other necessities they need to "survive" while being homeless.

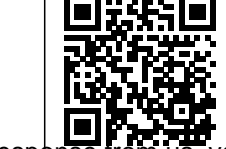

This fundraiser will allow us to continue our efforts and support their ever growing needs. We are seeking volunteers for 3 hours on SUNDAY

August 16th & August 30th 10:50 a.m. to 2:00 p.m.

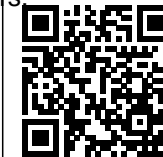

First Hawaiian Bank in the Windward City Shopping Center, near the Denny's, KFC and Starbucks.
 Across the intersection of Burger King and Toyota

All volunteers will be doing the same task.

We are holding awareness signs and nets to collect donations from donors.

Bring your name, email address, date you are attending.
 No need to pre register. If you find this opportunity too late to get a response from us, you are STILL welcome to attend.
 GROUPS with 10 or more need to be pre approved, please do not just show up. We need to know how many of people are attending. We limit our group size to 20 per day.
 Families with children: We accept children between the ages of 8-12 with an adult supervisor, not really suited for younger children. Teens are welcome without a supervisor.
 Show up 5-10 minutes prior to shift for orientation.
