The only dreads done cheaper is from your friend, but can they really teach you how to maintain it? Not as well as ME! I have been doing dreds a very long time & have created my own dread formula to apply to the hair made from beeswax bought on North Shore.

\*\*I only charge \$50 to \$100 depending upon the length, new growth, & willingness of your hair to dread.

\*\*\*\*Call 489-9712 with serious inquiries only and pictures

HAVE at least 4" of new growth to your hair, I can't start on a bald:) -
