Perhaps the coolest thing about the league is that our league pays and plays two different ways !

1. You're playing against the entire league each week and full season for overall points.
Overall pays every week for 1st, 2nd, & 3rd, and pays big at the end of season at the same ratio.

2. You also have a weekly head-to-head opponent.
Head-to-head best record champ is a handsome "winner take all" collecting the year's waiver/trade \$\$.

Believe it or not, the overall points champ and the head-to-head champ (W-L record) have never been the same guy.

I need \$50 deposit to hold your spot will be credited toward your league dues for the season.

4 weeks of weekly dues are required up front by draft date. Waivers are limited to 10 each per team for the season, and trades are 8. Waivers & trades cutoff is Thanksgiving week. Again, the waiver/trade \$\$ goes to head-to-head champ which is seeded playoff of top 6 records in weeks 14, 15, & 16 for the.
