

Child Care Babysitter Available (Richmond)

Location **Michigan** https://www.genclassifieds.com/x-634430-z

My home or yours within reasonable distance. Any ages. Any days even if its once a week for your nail appointments, once a month for date night, or full time. Your child (children) will have my undivided attention as my own "kids" are older and no longer at home. I have books, crayons, markers, puzzles, board games as well as electronics - tablets, xbox, laptop... I also like going on outings for walks, go to the park, the beach, movies, etc on occassion and depending on the weather. I don't just "watch" I interact and engage. Please send an email with any questions you may have and what care you are needing when..
