I really need a place ASAP. PLEASE no smoking or drugs!! I hate moving and hope to stay in once place. I am a very quiet 49 year old GWM. n I'm a non-smoker, rare social drinker and don't do drugs. I currently work for Lunds in downtown St Paul and soon will be back in the public health field soon with pending interviews this wee. I moved out of a drugs-friendly place today so hope to hear back today or tomorrow. Thank you very! :-)
