SAILS SALES! Commissioned sales reps for the world's most beautiful and unique sails!

ImageSails, www.imagesails.com, seeks highly qualified commissioned Sales Representatives for the world's first printed sails of their kind, ImageSails! This is the most unique item to hit the sailing community in years, and I've personally devoted years and sizable capital to see it through. They are simply the most beautiful, high-performance sails in the world, ImageSails!

Part of the proceeds benefit a small Indigenous town in Guatemala, Santa Maria de Jesus.

This is uncharted territory, so limitless opportunities abound to forge relationships with boat builders and others in the industry, individuals, corporations, etc. You'll utilize our database, and suss out your own leads. A savvy Salesperson could do very well; a shy one will not. This is a unique, custom, high-end, top-quality product, with outstanding visual and emotional appeal. Response has been overwhelming, and they have been the most exciting item at both the Miami and Oakland boat shows in the last months.

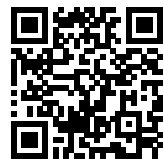

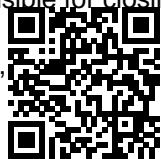

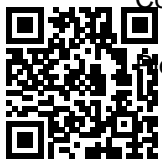

It will be a big advantage to us all if you have experience and contacts in the sailing industry.

YOU MUST LIVE IN ONE OF THE FOLLOWING REGIONS:

- 1) California
- 2) Florida
- 3) Annapolis, MD and surrounding area

Commission--20% of net profits of sales you are directly responsible for closing.

Please send applications to sails@imagesails.com with sails resume.
