I am selling a Dog crate that my dog has almost outgrown it has been outside so it is rusty it is still usable put a blanket in the cage and you're good to go. I am also selling about twenty pounds of puppy chow one of the bags is unopened the other are in the small bags beside it. I am unable to use for my puppy due to hip issues that just showed up. . I am asking 30 OBO and you must pick up. I have been stood up once so plz serious people.
