

Morning Babysitter Needed (Liberty Township)

We need a babysitter for our 3 children in Liberty Township. And we're looking now! Some light tidying up would be part of our caregiver's responsibilities. Please be comfortable with pets. It is important to us that you have your own car.

I am looking for someone to come to my home from 8 a.m. - 10 a.m. (end time may vary). I will be working from 6 p.m. - 3 a.m. and just need someone to help get my older kids out of the house for school and stay with my younger ones until I wake up, usually around 10 am, depending on my schedule the night before. We can have a set end time figured out after Sunday when I know my schedule better.

I have 4 children and Tues-Fri, there will be another 9 month old that you would need to watch. This is a very easy job, I just need someone to play with the younger ones for a bit.

If this sounds like something you would be interested in, please email me with your resume and salary requirements. Perfect for a SAHM (can bring child/ren with you if needed), or a college student who doesn't have morning classes!

A background check will be completed (at our expense) and I need someone to start as early as the 18th.

Thanks,
