

Deck helper (lakeville)

Location **Minnesota**
<https://www.genclassifieds.com/x-634577-z>

I am in need of someone to help me possibly this Friday, Saturday, and Sunday building a deck. The deck is located in Lakeville and you will be given the address once we talk and I make a decision on who will help. I will pay cash at the end of the day, \$15-25/hr depending on your experience and work ethic. This is a non-smoking site. Hours of work will be roughly 2-3 hours Friday evening, basically carrying lumber to the back yard setting up for Saturday. Saturday work will be a minimum of 8-10 hours and the same on Sunday. Possibly shorter on Sunday depending on what we can get done on Saturday. I will be using DP-50's so no digging footing holes. I am looking for someone who can take direction and complete what is asked of them. You will need only to bring a tool bag with your basic tools.

Text if you are interested with name and experience.

Thanks,
