## Sales People Needed

We have an infomercial that is starting to create a huge buzz in our industry. We need Reps !

We are in a 112 Billion dollar industry that is exploding. We have many different types of people from all walks of life making great money.

You don't have to be a seasoned sales person to work with us. If you are that's great too. Here is some qualities we are looking for below.

- Excellent communication and writing skills
- Self starter with desire to learn
- Personable & Energetic, Loves to smile
- This is commission only pay

We care about WHO you are, not WHAT you've done...

If you are a positive and motivated individual, we want to hear from you.

Before you email us with your name and phone number take a look at this 5 minute video at silbusiness.com (video on left of woman).

Heres what you get,

- Potential to get paid several times a week
- Independent Contractor (\$1000/week)
- Work part or full time
- Work on your own time, at your own pace
- Sell a product that works 100% of the time, every time
- Sell a product that sells itself

People are spending millions on products like this every day, that don't work. Ours does, and has a 100% money back guarantee. Why not have them buy it from you.
