Are you a born again believer who has a gift of delivering poetry? Are you passionate about your gift and your relationship with Jesus Christ? If so, please read on as this may interest you.

I am a worship leader in Chisago City and we're hosting a community wide praise and worship evening at a local Evangelical Free Church on September 26, 2015

We have a very dedicated group of musicians and we're going to be leading almost 500 people in a 2 hour night of worship, September 26th 2015.

We've pulled together 12 very power songs that really build up for an exciting evening of worshiping Jesus Christ.

While we have a very talented group of musicians we're looking for a born-again believer in Jesus Christ who has a strong talented gift in poetry.

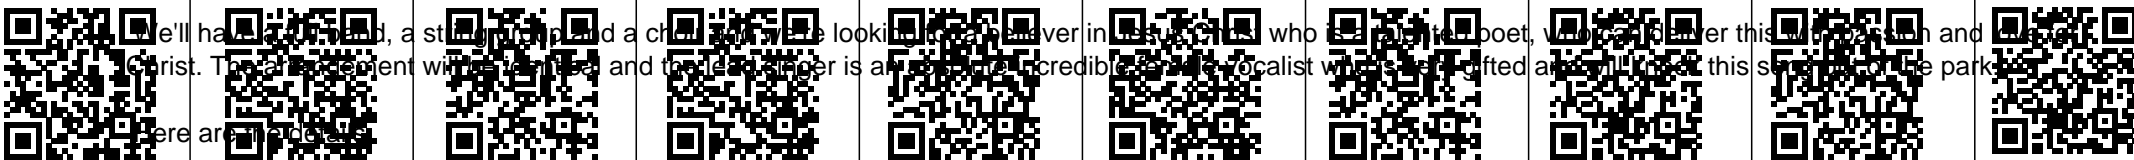

Here's what I want to pull off.

If you look at this video: <https://www.youtube.com/watch?v=huFra1mnIVE>

At 6:40, there is a poem delivered that is absolutely amazing. You can watch it above and also see the transcript here:

I want to emulate that. We plan on performing the song, the same way they do it in the video.

We'll have a strong group and a church that is looking for a believer in Jesus Christ who has a gift in poetry, who is passionate about their relationship with Jesus Christ. The event will be held at a local church and the lead singer is an incredible localist who is very gifted and has a gift in poetry. This is a great opportunity for you to share your gift with us and to be part of a great evening of worship.

There are 10 spots available for this event.

- 1) If you are a passionate poet and this interests you, we want to hear from you.
- 2) The live show is September 26th in Chisago City, MN and we would need to rehearse with you on 9-15 and 9-22 during our live dress rehearsal at 7 pm.
- 3) We prefer a male, but I am open to females.
- 4) We cannot pay you for this as it is a free night of worship and none of us get paid. This is what we do and if you are passionate about poetry and this is your gift, you understand that this is to God. I may be able to arrange something to cover your gas to get to Chisago.
