"Marleni is a very good instructor and worked very hard to meet my requirements. I requested my classes to be completely in Spanish except to clarify words and concepts I am not familiar with, to assess my comprehension of conversational Spanish, to review an immediate need to ensure I can relate technical and business concepts appropriately in Spanish and to provide input on the most appropriate steps to become conversational in Spanish. Marleni exceeded my expectations in the first conversation." (class, classes, lessons, tutor, tutoring, spanish, teacher,)
