

Drone Aerial Video and Photography (Minneapolis)

Location **Minnesota**
<https://www.genclassifieds.com/x-634638-z>

We produce incredible drone videos and photography.

We are an insured video production company with over 20 years of professional service.

Our state-of-the-art UAV Drones combined with the top of the line video & photography editing, motion graphics, music and effects will deliver remarkable results. We invite you to come tour our production studio or we can come to you.

Dave

Here Is a portfolio peice we shot.
