Location **Mississippi** https://www.genclassifieds.com/x-634725-z

## MOTIVATED SELLER-

Here is your chance to scoop up a desirable amount of land close to downtown Ocean Springs. A little over 6 acres (needs cleared) on a very quite dead end rd. There is a home located on this property which would make a very nice rental if fixed up a bit. It has all the artistic charm that our beloved Ocean Springs represents! Call if interested.
