I am looking for someone to be able to come to my home part time to help watch my kids. Monday, wednesday, friday from 9 to 3, also 2 thursdays and one tuesday a month.

You would be watching my 18 month old, then at 12 my 4 year old would get off the bus from preschool. My 6 year old would be walking home from school around 230. Days where there is no school, all 3 would be home and we could discuss a different rate.

Needs to be very dependable, I cannot call in. I am open to having someone bring their child with them.

We have a big fenced in yard, a park just behind my house, and and very nice streets to walk. I would need this to be for the school year, and longer if you want.

Looking to hire starting in the beginning of September as my current sitters are going back to school. Thanks for looking!
