Hi my name is Sasha B. I am a stay at home mother of 2 looking to take in 2 kiddos for the summer. My actual availability can be sooner as I am a stay at home mom. I'm loving patient caring creative and reliable. I cook everyday healthy delicious food from scratch. I have 2 children 7 years old and 1 year old. I have an extensive background with youth and youth work prek-highschool. I believe in creating intentional fun curriculum. We go on quite a few outings like museums, parks, traveling exhibits etc. You name it we do it! I will provide excellent references, and provide affordable quality care. I will also provide a weekly schedule and newsletters twice a month to keep you in the loop. Call text or email today if you are interested or have any questions thanks for reading my super long add!&;
