Hi there! My name is Renee and I am a licensed child care provider in Blaine. I have been licensed for 7 years. I am married and am a mom to three amazing kids! We also have a very patient black lab who lives in our home too!

Our home is smoke free and our yard is fenced in. We live in a quiet neighborhood near Jefferson Elementary School (Jefferson Street & 113th Avenue) and have close access to both Highway 65 and University Avenue. We are fairly close to the Coon Rapids/Blaine border.

I am up to date on all required training including SIDS/shaken baby prevention, developmental training, CPR, first aid and more. I have a background check from the county and can provide great references! I have been teaching Sunday school at our church for 9 years. I am currently going to college in the evenings to get my child development degree.

I have an awesome group of child care kids! We do a preschool curriculum during the school year, daily circle time, story time and outside time. We also have baking and science days that the kids love! While our structured time is important, there is plenty of time for the kids to have free play and just be kids!

I wish you the best of luck on your daycare search and if my daycare sounds like it would be a good fit for your family please contact me. I would be happy to answer any questions you have!

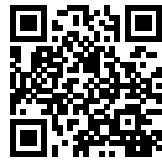

Thank you so much for your!
