Do you have a flair for crafting and arts?

We are looking for someone with some crafting experience to help us make various handmade craft items for re-sale.

A few things required will be to cut, shape, fit, join, mold, glue, tie or otherwise process given materials using your hands and various hand tools and small power tools.

Must have excellent near vision, arm and hand steadiness, and good hand and finger dexterity and be able to sit for long periods.

We will supply all materials and instruction.

This is a part time job of approximately 12-20 hours per week starting out and possibly more work in the next year.

Looking for someone who is dependable, reliable, honest, hardworking, drug free and easygoing.

Must be available to work M/W/F for 4-6 hours each day. The work place is located in Pupukea on the North Shore and is a very peaceful, easygoing and drama and drug free environment.

If interested please reply here with any information you feel is relevant in applying for this.
