I am an interior decorator who recently I returned to New Orleans after 12 years in New York and am looking to establish a local portfolio and clientele of my own. (Please note all images are of work I have been directly involved with, but with other firms.) I hold a bachelors of interior design from LSU. Upon graduation I moved to NYC and worked for a handful of well respected design firms. Though I dealt mostly with high-end residential design I have worked on a wide variety of projects, including full building condo developments and retail spaces.

With this experience I gained a wide variety of skills including space planning, interior detailing and millwork, budgeting, material selection, project management, furniture sourcing, lighting design, and real estate staging, amongst others. I am looking for the opportunity to build a local clientele and portfolio by offering my unique skill set at rates that would be mutually beneficial. I am available for a wide variety of projects including consultations on existing interiors, room refreshers, full decorating jobs, and real estate staging. I am also working on e-design packages for complete room designs. These packages would be submitted to the client to be executed by the client, which would be an extremely economic way to do a full interior decor project a tight budget.

If you are interested in learning more about what I can offer your project, please respond to this add with as much detail as possible and I will submit an informal proposal for your review. If the terms are reasonable, we can discus in further detail to firm up an agreement.

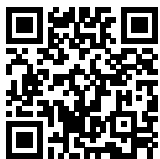

Attached are images of projects that I have been directly involved in as designer and project manager for the following firms: 1) Loft Living Room, NYC, PERIOD, LLC, 2) Living Room, Pittsburgh, Fox-Nahem Design, 3) Dining Room, Pittsburgh, Fox-Nahem Design, 4) Bedroom, Fox-Nahem Design, 5) Kitchen, Fox-Nahem Design, 6) Bathroom, Fox-Nahem Design, 7) Office, PERIOD, LLC, 8) Living Room, Fox-Nahem Design, 9) Living Room, Fox-Nahem Design, 10) Common Area, Residential Condos, Jersey City, PERIOD, LLC 11) Living Room, Purchase, Fox-Nahem Design 12) Exterior Rendering Store, Tokyo, PERIOD, LLC 13) Store Interior, Tokyo, PERIOD, LLC 14) Store Interior, Tokyo, PERIOD, LLC 15) Office Lobby, NYC, PERIOD, LLC
