I am an interior decorator who recently I returned to New Orleans after 12 years in New York and am looking to establish a local portfolio and clientele of my own. (Please note all images are of work I have been directly involved with, but with other firms.) I hold a bachelors of interior design from LSU. Upon graduation I moved to NYC and worked for a handful of well respected design firms. Though I dealt mostly with high-end residential design I have worked on a wide variety of projects, including full building condo developments and retail spaces.

With this experience I gained a wide variety of skills including space planning, interior detailing and millwork, budgeting, material selection, project management, furniture sourcing, lighting design, and real estate staging, amongst others. I am looking for the opportunity to build a local clientele and portfolio by offering my unique skill set at rates that would be mutually beneficial. I am available for a wide variety of projects including consultations on existing interiors, room refreshers, full decorating jobs, and real estate staging. I am also working on e-design packages for complete room designs. These packages would be submitted to the client to be executed by the client, which would be an extremely economic way to do a full interior decor project a tight budget.

If you are interested in learning more about what I can offer your project, please respond to this add with as much detail as possible and I will submit an informal proposal for your review. If the terms are reasonable, we can discus in further detail to firm up an agreement.

Attached are images of projects that I have been directly involved in as designer and project manager for the following firms: 1) Loft Living NYC, 2) Loft Living NYC, 3) Loft Living NYC, 4) Loft Living NYC, 5) Loft Living NYC, 6) Loft Living NYC, 7) Loft Living NYC, 8) Loft Living NYC, 9) Loft Living NYC, 10) Common Area, Residential Condos, Jersey City, PERIOD, LLC 11) Living Room, Purchase, Fox-Nahem Design 12) Exterior Rendering Store, Tokyo, PERIOD, LLC 13) Storage Interior, Tokyo, PERIOD, LLC 14) Store Interior, Tokyo, PERIOD, LLC 15) Office Lobby, NYC, PERIOD, LLC
