Location **Illinois**

The old Mestizo/Miska's improvised music jam session is now at Multikulti in the Ukranian Village. Undertow (Josh Beatty-reeds, Michael Baker-electric bass), and Henry Mayer-percussion), will be performing their usual musical mayhem at Multikulti this Sunday. There will not be a jam

Afterwards, the band will host an improvised music/free jazz jam session. This is complete improvisation - no charts, no tunes, no keys... not even tempos. Open to all instruments, electronicists, noise people, anything that makes sound. The jam session will start around 2:45 and go till 4:00, and happens every other Sunday. Multikulti will be moving this month so when they have a new location, I will list it here.

Multikulti is very close to the Division Blue Line Stop - around 1/4 mile away. It is southeast of the stop, right on Milwaukee.
