Progressive Irish/Scottish band seeks fiddler

Band that takes traditional Irish/Scottish fiddle tunes and adds classically-influenced counterpoint and a rock rhythm section seeks fiddler.

Ideal candidate is technically capable (classical background helps - some of our repertoire gets out of lower positions and is more violin-y than fiddle-y), has real background in Irish traditional music, is comfortable in amplified environments (pick-up or electric fiddle recommended), and has an open mind for combining multiple styles.

Some start-up rehearsals, but minimal rehearsals afterwards - this is a "do your homework" situation. All gigs are paid. Band is currently gigging with an array of fiddlers, because no one fiddler is able to commit to all gigs at the moment.

Demos and further information available when you contact us.
