Producer for Acoustic/Rock Solo Artists

If you have songs, play an instrument, sing and want to record, drop me a line. I love to work with projects as simple as capturing your performance on up to full-blown arrangements with lots of instruments. I'm running ProTools and have the right mics to capture your sound in loving detail.

My services:

- Engineering (Studio and Mobile recording, editing, mixing)
- Song Development (critique/suggestions, co-writing)
- Project Planning (budgeting, scheduling, location/studio scouting)
- Vocal coaching
- Session Keyboards/Vocals/Guitar*
- Arrangement (strings, horns, woodwinds, full band, etc.)
- Sequencing/Programming (drum beats, basslines, MIDI instruments, etc.)

* Other session musicians available.
