Goper it is 2015. How long are you going to quote Lyndon Johnson?
UNTIL WE FEEL LIKE STOPPING.

Obviously the welfare program wasn't good but people today are demanding jobs. Living wage jobs.
THEN DON'T DROP OUT OF SCHOOL.

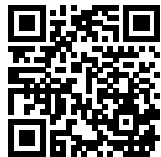

Black people continue to be the last hired and first fired.
THEN DON'T DROP OUT OF SCHOOL, SHOWING UP FOR JOB INTERVIEWS WITH YOUR PANTS ON THE GROUND AND SPEAKING EBONICS.

This is why communities who live in poverty have so many problems.
YOU'RE IN POVERTY BECAUSE YOU EMBRACE BLACK CULTURE.

I'm sick of gopers saying democrats caused this problem. Who cares!!??? We are a country with two political parties. They need to coalesce and come up with some transformative ideas for change in this country or the problems will only worsen.
OH,.
